**TO WHOM IT MAY CONCERN,**

This is to certify that **Mr Peter Pryce** (born August 7, 1964) has worked as an interpreter for Ministry for Foreign Affairs of Finland. His assignment was to be prepared to translate discussion from English to French and from French to English in 'The First Preparatory Meeting of Cairo Summit'. The meeting between EU and OAU (Organisation of African Unity) was held in Helsinki September 28, 1999.

I am satisfied with Mr Pryce's work and pleased to recommend him to comparable assignments.
